A Message from our Headteacher

As winter seems to have suddenly arrived, please ensure children come to school with a warm coat, gloves and a hat as we do try to get the children outside as much as possible once we have checked that the playground is safe to use.

Despite the cold weather, school has been full of different activities this week. Our EYFS children have started their balance bike sessions and have enjoyed whizzing around the hall on their bikes. Our year 3 children have been busy painting egg boxes ready for building their pneumatic monsters next week and our year 4 children have been building and testing different electrical circuits.

Alongside today's newsletter you will have received information about our Santa fun run which takes place on Friday 6th December during the school day. Children may want to come to school wearing a Santa hat or Christmas headband for the occasion. Please ensure children have trainers with them to run around the track!

Wishing you a wonderful weekend,

Mrs Moss

Collective worship

This week in collective worship we learnt about 'World Hello Day'. We discovered that it was started in a bid to help promote peace across different communities. As part of our collective worship, children were taught how to say hello in different languages and children were set the challenge of saying hello to 10 people they don't normally say hello to.

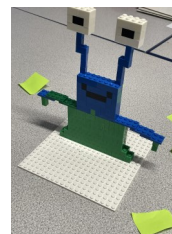

No Nuts Policy

Reminder that the school has a no nuts policy due to staff and children have allergies.

Please be mindful of what you are putting in your children's lunchboxes. This includes Chocolate spread. Thank you.

Kids with Bricks

This half term our Kids with Bricks club topic is "space!" This week the children have designed a Alien!
