A Message from our Headteacher...

It has been lovely to welcome all the children back to school this week. It has also been great to welcome our new EYFS children who all looked so smart on their first day. The children have all been fantastic and have made a really good start to the new academic year. This week we have reminded our children about our behaviour rules and it has been fantastic to see these being followed across the school. The children have all been working hard in class. As a school we are aiming to improve presentation in books this year. I have already seen some fantastic examples of beautifully presented work as I've walked around school this afternoon. Well done everyone for such a great first week!

We currently have a vacancy for a parent governor. I have attached information about governance in a Rise school for your information. As a parent governor you would be committing to attend 4 meetings across the school year. You do not need any background in education to become a governor just enthusiasm and passion to support our staff and pupils. If you are interested in the role or would like more information please get in touch. We really do value the contribution governors make to the development of our school.

Wishing you a wonderful weekend,

Mrs Sophie Moss
