Message from the Headteacher

Today we welcomed Christ Church and St Peter's Primary from Mountsorrel and Belgrave Primary from Leicester City into school to take part in a year 3 sporting event. It was fantastic to see all the children working together, making friends and having fun. A huge thank you to Mr Spencer and the year 3 team for organising such a great sporting event for all the pupils across the three schools.

We are currently advertising for a midday supervisor for 5 hours per week. Please share attached link with anyone you feel may be interested.

Wishing you all a wonderful weekend,

Collective Worship

In collective worship this week we thought about why rules are important. Children suggested that rules were used to keep everyone safe and happy. We talked about where we have rules such as home, school, clubs... We then learnt about the 10 rules '10 commandments' that God gave to Moses.

Keeping children safe

If you feel your child is struggling with anxiety below are some practical strategies to try...

- Keep a consistent routine – where possible, try to keep daily routines consistent, especially during times of transition, such as starting a new school year. Getting a good night's sleep is also important.
- Use visual supports – visual aids like schedules and social stories can help reduce anxiety by showing children what to expect. For example, using pictures to explain the steps of getting ready for school can make the morning routine smoother.
- Encourage communication – encourage your child to communicate in a way that works best for them, whether through words, gestures or assistive devices.
- Practice relaxation techniques – deep breathing, stretching or mindfulness exercises can be helpful to reduce feelings of stress.
- Break tasks into smaller steps – big tasks can feel overwhelming, so breaking tasks into smaller steps can help to make things seem more manageable.
