Message from the Headteacher

Thank you to all those who were able to donate to Children in Need last week. As a school we raised over £300 which was fantastic.

Also thank to all the parents/carers from year 3 who were able to join us to help children make their pneumatic monsters. It was great to see how talented (and competitive!) you all are.

This evening we look forward to welcoming pupils back to school for the Autumn term disco.

Wishing you a wonderful weekend,

Collective Worship

In collective worship this week we have been covering lots of themes linked to 'Anti bullying' week. We started the week with odd socks day. This allowed us to celebrate our differences. We have then looked at what we can do if we feel we are ever being bullied. It was great to hear how confident children are about using our worry box or talking to trusted adults in school.

Attendance

A child is classed as a persistent absentee if they attend school 90% or less of the time.
This includes all absences – authorised and unauthorised – and can quickly add up, even if the reasons seem valid at the time. Please take the time to check your child's current attendance.
